

With a lot of personal responsibility, consideration and common sense, we can also manage this somewhat more difficult winter season! We are looking forward to it!

Info: Protective measures in connection with COVID-19

We appeal to you, dear guest, so that the courses are a great experience even in times of Corona:

- Only attend the courses if you are in good health!
- Reserve the courses for yourself or your children in advance at www.coolschool.ch
- Protect yourself as directed and as you see fit: distance, protective masks, disinfectants!
- Take the used hygiene articles back home with you and dispose of them properly!
- If possible, adhere to the distance rules to other course participants and teachers.
- Whenever possible, we only stay outside so that there is only a low risk of transmission.
- Find out about the currently applicable cantonal measures.

Be aware that the space in the gondola lifts and when queuing is rather tight and that on some days in the high season it is possible for operational reasons that the minimum clearances cannot be observed. Within individual classes, the minimum distance between individuals cannot always be guaranteed.

Protection concept

Principle

In general, the sports on the snow are outdoor sports in which the risk of infection is much lower than with indoor activities. We at the Cool School will do everything possible in the coming winter season to guarantee our guests and employees the greatest possible level of safety. In doing so, we adhere to the requirements and recommendations of the Canton of Valais and the Federal Office of Public Health (FOPH). The security measures are constantly updated and adapted to the respective situation.

Office

- Mask requirement in accordance with the currently applicable instructions from the authorities.
- In addition to the employees in the ski school office there are always only people from one family.
- The contact details of the group members are recorded to ensure traceability.
- Cashless payment with cards possible; However, payment is also possible with cash.
- Covid-19-related cancellations on our part and on the part of the guest are possible up to 24 hours before the start of the course (processing fee 5%). The courses can be postponed free of charge.
- The office is aired regularly.
- Thorough cleaning of surfaces and handles
- Hand disinfectant is available.

Teaching

- If the minimum distance of 1.5m cannot be kept in class, all persons aged 12 and over must wear a mask.
- From the age of 12, a mask is required everywhere in the ski area except for the slopes.
- Exercise material is only used with gloves and is regularly disinfected.
- The groups are not mixed.

Lessons Blatten cross-country skiing

- In cross-country skiing lessons, the minimum distance of 1.5m can be maintained, so that a mask is not required.
- Exercise material is only used with gloves and is regularly disinfected.
- The groups are not mixed.
- In addition to the salespeople, there are only four people or only people from one family in Cécil's Loipenstube.

Loichiland

- It is strictly forbidden for adults to visit Loichiland during lessons.
- The parents do not have access to the Loichihaus.
- In the whole of Loichiland it is mandatory to wear a mask for the whole day from the age of 12.
- The ski race can be observed from outside the area.

Assembly point

- All persons aged 12 and over must wear a mask at the assembly point.
- In order to keep the number of people as low as possible, your child will only be accompanied to the assembly point by one person.
- The groups are spatially separated more widely.

Supporting program

- The rank announcements are carried out entirely outdoors.
- The audience is separated from the children.
- In all spectator areas, we ask for the specified minimum distance of 1.5m between people / families / groups.
- The offer of raclette and drinks continues.

By attending the course, you declare that you agree to our measures and that you follow them. During this special time we depend on the personal responsibility of you guests, on mutual consideration and on your common sense.

We at the Cool School are looking forward to you and will tackle the challenges with a lot of flexibility and common sense.

We wish you a happy holiday in the most beautiful ski area in the world: **the Lauchernalp!**

Your Cool School
